

REETURAJ KUMAR

SOFTWARE ENGINEER

Results-driven Frontend Developer specializing in React.js, with hands-on experience building and delivering dynamic web applications, including e-commerce platforms and appointment booking systems. Proficient in React and Redux for scalable UI development, with working knowledge of the MERN stack. Passionate about clean, maintainable code and intuitive UI/UX design. Collaborative team player with a strong grasp of Agile methodologies and a focus on creating optimized, user-centric software solutions.
